

Reem Ahmed Karam Shehata

Electrical Engineer / Electronics and communication

An Ambitious electronics and communication engineer who is seeking to start her career step with an international organization or company that mainly focuses on creating attractive and motivative environment for workers that keeps up with the skills of the 21st century so they can give their best to help creating a better world.

PERSONAL INFORMATION

- Date of Birth - 01/08/2000
- Place of Birth - Ismailia - Egypt
- Nationality - Egyptian

CONTACT

- +971-52-210-1252
- egyreemshehata@gmail.com
- Ajman - UAE

EDUCATION

- High School Degree - 2018 - Al Noor International Private School.
- Bachelor of Electrical Engineering / Electronics and Communication - AJMAN UNIVERSITY with an ACGPA of 3.88 (Excellence with Honors)

LANGUAGES

- Arabic (Mother Language)
- English (Excellent writer and speaker)
- French (Beginner)
- Italian (Beginner)

COURSES

- Matlab advanced Course (Coursera)
- Autodesk AutoCAD Electrical for Electrical Designers (UDEMY)
- Hikvision HCSA CCTV (online training)
- Nexans LAN systems (online training)

HARDWARE SKILLS

- Soldering
- Integrated Circuits
- Arduino boards
- Cables terminations

COMPUTER SKILLS

- Internet applications.
- Excellent in Ms. Microsoft Office (Windows, Word, Excel, PowerPoint).
- Good skills in Adobe Captivate and Adobe Premiere.
- Good skills in Matlab Programming Language.
- Good skills in graphic designing applications.
- Good skills in graphic design using (CANVA).

SPECIAL SKILLS

- Leadership.
- Creativity and innovation.
- Critical thinking.
- Up to date technical knowledge.
- Work well either individually or in team work.
- Punctual & well organized.
- Strong communication skills & good public relation.
- Very sociable and can communicate with customers in a very nice and friendly way.
- Active & Self-motivated, reliable & quick learning.
- Can work under pressure.
- Very good multitasker.
- Very High skills in advanced mathematics.
- Good skills in Data Entry.

WORK EXPERIENCE

- Worked Online With “GamaLearn” company based in Abudhabi.
- 1 year experience in Data Entry.
- 2 years receptionist experience with Dari Marble Company.
- 1 year experience of making tutorial learning videos.
- 2 year experience of Digital Marketing and Social Media Management.

CERTIFICATES

- HCT ASET competiton (Participation Certificate)
- Ajman University Demo Day "Best Prototype" Certificate (For my graduation project)
- NASA's international space apps challenge (Participation Certificate).
- NASA's international space apps challenge "Second Place Winner" in Galatic Problem-solver competition.
- Best Scientific Research Award (For my graduation project research)
- Abu Dhabi University 9th Undergraduate Research Competition (Participation Certificate).
- Hikvision HCSA CCTV (Training Completion Certificate).
- Nexans LAN systems (Training Completion Certificate).

INTERNSHIP EXPERIENCE

- Internship program at Sharjah Municipality - Drainage Department - Specialized Maintenance (30/05/2022 - 21/07/2022)
- Internship Program at Dubai Police - General Department of Operations and Communication (25/07/2022 - 23/09/2022)

PROJECTS

- Intelligent Sleep Paralysis Detection and Awakening System. (Applying all the Engineering Knowledge and adding it to some medical information to come up with an intelligent system to help people).
- Digital Signal Processing - Audio Compression Project - Using MATLAB
- How is Fashion Related To Engineering (Applying Engineering Knowledge with new technologies such as E-TEXTILES to connect engineering and fashion)
