Saleh Hamad

SOFTWARE SKILLS

- AutoCAD
- DIALux
- Revit
- MS Office (Excel, Word)

KEY HARD SKILLS

- Design Electrical Drawings.
- MEP shop drawings.
- Electrical Troubleshooting
- Managing Sites
- Preparing Estimations

LANGUAGE

- **Arabic:** Native
- **English**

EDUCATION

Electrical Engineering, Bachelor's Degree.
Damascus University, Damascus.

KEY SOFT SKILLS

- Team leading, effective listening, negotiating and interacting with team members.
- Strategic problem analyzing and solving.
- Ability to manage multiple tasks and prioritize workloads
- Decision making.
- Creativity

ABOUT ME

I'm an **Electrical Engineer**. With more than two years' experience in Designing and implementing different **Electrical Distribution Systems** and **Solar PV Projects** in Sites, I am adept in design, analysis, and modifications of complex systems. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate communication and Problem-solving abilities, believe in my qualifications and this makes me give an added value to companies and institutions on the business trip. and I am keen to join your firm as the next step of my career.

WORK EXPERIENCE
