## SUMMARY

"I am a Civil Site Engineer with over 7 years of experience, holding a bachelor's degree in civil engineering and boasting an excellent academic record. I have unique internship experience as a Site Engineer, and I possess strong knowledge in surveying, grading, excavation, site utilities, concrete work, landscaping, and superb project management skills. Additionally, I have a very good skill set in AutoCAD and Excel. I am actively seeking a Site Engineer position, either part-time or full-time, where I can apply my skills, contribute to the company's growth, and continue to enhance my knowledge."
