E-commerce Store Manager and Content manager

As an online store content manager, I have extensive experience curating and optimizing content to enhance the customer's shopping journey. I excel at managing product descriptions, images, and multimedia elements to create compelling representations of merchandise. Through SEO strategies and collaboration with cross-functional teams, I have successfully improved search visibility and executed impactful content campaigns. With strong project management skills and a data-driven approach, I consistently deliver results and drive conversions

2015 - 2018

Almejharnews -وكالة المجهر الاخبارية / Jordan - Amman

Website Data Entry

Experienced data entry professional with a specialization in website data entry. Proficient in efficiently entering and organizing data on various websites. Skilled in using content management systems and data entry tools to ensure accuracy and consistency. Detail-oriented and thorough in maintaining data integrity. Proficient in collaborating with web development and content teams to ensure seamless data integration. Adept at prioritizing tasks and meeting deadlines in fast-paced online environments. Strong communication skills enable effective coordination with cross-functional teams.
