PROFESSIONAL EXPERIENCE

Ksree Constructions

Site Engineer

01/2021 – 05/2023 | Hyderabad, India

- Managed and supervised on-site construction activities, including earthworks, foundation, and structural work.
- Ensured compliance with project specifications, quality standards, and safety regulations.
- Coordinated with contractors, architects, and other stakeholders to facilitate smooth project execution.
- Monitored project progress, identified potential issues, and implemented corrective actions to maintain the project schedule.
- Prepared and maintained project documentation, including daily progress reports, material inventory, and work schedules.
- Conducted regular inspections and quality control checks to ensure workmanship met industry standards.

Minar Constructions

Site Engineer

03/2019 – 12/2019 | Hyderabad, India

- Assisted in planning and executing construction projects, focusing on infrastructure development and utilities.
- Supported the Site Engineer in coordinating resources, materials, and equipment needed for various project phases.
- Conducted site surveys and collected data to aid in project planning and design decisions.
- Assisted in preparing cost estimates, project timelines, and progress reports for management and clients.
- Collaborated with the project team to resolve technical issues and optimize project performance.

SKILLS

- Proficient in construction management software (e.g., AutoCAD, Revit, MS Project)
- Strong knowledge of construction techniques, materials, and industry best practices.
- Excellent project management and organizational skills.
- Ability to interpret architectural drawings and engineering plans.
- Effective communication and leadership abilities, fostering a positive team environment.
